

RapidDeploy Radius User Group Meeting

Wednesday, February 1, 2023 – 9:00 a.m. to 3:00 p.m.

St. Cloud State University
Atwood Memorial Center, Cascade Room
651 1st Avenue South
St Cloud, MN 56301

The Minnesota Department of Public Safety division of Emergency Communication Networks (DPS-ECN) invites you to participate in our upcoming in-person RapidDeploy Radius User Group meeting that will be held on the St. Cloud State University Campus in St. Cloud, MN.

Discussion Topics:

- Overview of the national and statewide RapidDeploy Radius implementation status
- Overview of RapidDeploy Radius on-line training opportunities
- Potential Integrations and Interfaces:
 - Help guide decisions regarding 'next steps' for introducing Minnesota's PSAPs to new RapidDeploy Radius features and functionality.
- The Minnesota User Experience:
 - Learn how Minnesota PSAP's are using RapidDeploy Radius to improve the delivery of emergency services in their communities.
- Overview of the RapidDeploy Eclipse Analytics platform
- Rave Mobile Safety Presentation:
 - Learn how RapidDeploy and Rave Mobile Safety are providing the State of California with the world's largest public safety incident data sharing solution.
- 'ASAP to PSAP' Presentation:
 - Learn how RapidDeploy and TMA are partnering to provide Automated Secure Alarm Protocol (ASAP) service to streamline the process for PSAPs to receive alarm notifications.

Who Should Attend?

- Public Safety Answering Point (PSAP) leadership.
- Public Safety Telecommunicators (PSTs).
- Representatives from the SECB NG911 Committee and its workgroups.
- NG911 Committee representatives from the state's seven Emergency Communications/Emergency Services Board regions.
- Representatives from the state's public safety professional associations.

Registration:

- [CLICK HERE](#) to RSVP for the meeting.
- Please complete your RSVP no later than Wednesday, January 25, 2023.
- Lunch will be provided to all attendees.

Questions?

Please feel free to contact DPS-ECN Regional Interoperability Coordinator Steve Tait at steven.tait@state.mn.us.
